**OVERHEAD SIGN WORK ON INTERSTATE 93 IN HOOKSETT**  
**NIGHT WORK WILL REQUIRE LANE CLOSURES SOUTH OF TOLLS**

The New Hampshire Department of Transportation announces planned nighttime overhead sign work on Interstate 93 in Hooksett will require lane closures and brief traffic stoppages during the nights of Tuesday, May 25 through Thursday, May 27, 2004.

This overhead sign structure erection project will take place at two locations just south of the Hooksett Tolls on I-93 and before the I-93/I-293 split. Northbound and southbound lane closures will be in effect all three nights between 7:30 PM and 5:00 AM. All traffic will be stopped for approximately ten minutes each night sometime between 10:00 PM and 5:00 AM.

Visi-Flash Rentals Eastern, Inc. of Dedham, Massachusetts is the contractor for the project.
